

IN THE UNITED STATES BANKRUPTCY COURT
for the Eastern District of Phila

Docket # 17-10828-EP

MR. Frank,

My Name is Eric Long LY2843 and I'm writing to you to ASK you why hasn't anyone told me anything. and why is it that everytime my family member calls the courthouse clerk.

They keep telling them call back on this day or that day and nothing's being resolved? MR Frank under Rule 1109(B) Right To be heard. It states that

I have a right to appear and be heard on any issue in a case ~~XXXXXX~~ ~~XXXXXX~~. I filed my petition back in february it's been 11 months I'm just asking for fairness once again. MR Dershaw Can't say these accounts don't exist and then file a final report and say what he said AS FAR AS

②

Saying \$18,869,491,676,52 is exempt
and \$11396.00 is scheduled for
discharged. MR Frank this trustee
Lawyer has done nothing but
Contradict himself threw this
whole entire case. This is why I'm
asking that another trustee Lawyer
be assigned to Administer these
assets or possibly come to some
type of agreement where as
all parties involved can be OKay
with. As I stated before I'm not
trying to be complicated. I want
to make it easy for everyone
But it's been 11 months til today
so I'm asking under Rule 1109(B)
that I be brought down to court
or that someone comes up here
to S.C.I. Dallas to see me. So
we can be finish with this
case. I understand that you
may not want to keep seeing
this case on your calendar. So
can we please see if we can
get this dealt with, Cause as
I stated before at least this CUSIP #
should be dealt with #315805333) Along w.

This one # 315918318) that's all
I'm asking for. Since Mr Dershaw
has already stated these figures
as he reported that's in the
records as key information. which
seems to me to be the statement
of Accounts. enclosing I want
to thank you for your time and
assistance on this matter. Also if
none is going to come see me
than I'm asking under Rule 1109(B)
that the deputies come up here
to bring me down to a right to
be heard hearing. Because if you
review everything that Mr. Dershaw
has did or said he's ~~nothing~~ done
nothing but contradict hisself
Threw this whole case.

Eric Long
